Programme overview

Background

The Certified Post Merger Integration Expert (CPMI) is a tailored program to address the needs of advisors, Human Resource professionals, Project Managers, management consultants, change specialists, corporate M&A and integration teams. The program covers all aspect of the post-merger integration process from planning to implementation. The CPMI program is the only globally oriented Post Merger integration certification in existence and is internationally recognized.

What to expect

The Post Merger Integration program dives deep into the integration issues post acquisition or merger. It covers pre-closing preparation in terms of strategy, synergy identification, and integration planning as well as actually running and implementing the integration in terms of integration governance and project management. Also integration issues and aspects of different core functions, such as marketing & sales, finance, human resources, etc. are covered. Last but not least, there is an additional emphasis on change management in order to make the integration a success.

Whether you are involved in the integration as part of the acquiring or target company or assist clients as a consultant, this program will help you to understand the complexity in integration in its entirety and do a better job in dealing with its complexity.

In the highly interactive course, you'll take your skills to the next level by practicing:

- **Plan for the integration the right way and early on**

Connect strategy with integration planning and design during the transaction, due diligence, and negotiation phases.

- **Getting the synergies right**

Explore and corroborate the various synergies that can be achieved in different functions and the business be it cost and/or growth synergies and how to realize them.

- **Succeed with Change Management**

Learn from our experts how to successfully implement the changes needed to align your goals, bringing organizations together and making the integration a success.

CPMI Course

The CPMI program is structured in four modules based on IMAA CPMI Framework and Body of Knowledge for Mergers & Acquisitions:

- Essentials of M&A
- Integration Governance & Project Management
- Function Integration
- Culture & Change Management

Target audience

Prerequisites

Hold an academic degree (e.g. PhD, JD, DBA, MBA or Bachelor Degree); and/or hold one or more professional designations (such as CPA, CFA, CAIA, SHRM-CP or equivalent).

Who should attend

The Post Merger Integration programme has been designed for participants that would like to dive deep into integration issues before and after closing a transaction. It is frequently attended by participants from corporate acquires – from all layers of the corporate hierarchy or departments – management from portfolio companies owned by private equity firms, and management consultants.

Designation

After successfully completing the course, you will receive the CPMI Charter. The CPMI designation is the most internationally recognized designation offered in the field of Post Merger Integration. This charter signals to peers, clients, employers, and other professionals that you have completed the most comprehensive PMI education program available and are proficient in all areas of the mergers and acquisitions process.

Logistics

The training session is structured in four modules and will last 5 consecutive days - from Monday to Friday.

What is included

- Onsite in person sessions
- Hard copies of all presentations and materials
- CPMI Charter and Designation upon completion
- First year of IMAA Annual Membership Fee
- Access to the entire IMAA e-Library
- Global network of charterholders and experts
- Continued Education / Continued Professional Development: 10 hours bi-annually of relevant online or onsite education provided by IMAA (online CE/CPD included in the annual membership fee)

Course Agenda

Module 1: Essentials of M&A

This module covers the fundamentals of Mergers & Acquisitions:

- **Deal types:** What are the different types of transactions that you can use in M&A? There is a whole range of deal types and deal continuum that we look at, e.g. the full spectrum from minority stakes to full acquisitions, various ways to arrange a merger, leveraged buy outs (LBOs), initial public offerings (IPOs), divestitures, spin-offs, equity carve-outs-
- **M&A Process:** The program covers both perspectives from a buyer's perspective (buy side) and from a seller's perspective (sell-side). We explore how to seek buyers or potential targets (long list & short list) and how to run a sale in various ways (negotiations and auctions).
- **Strategies for M&A:** We dive into the strategies for Mergers & Acquisitions. How can you create competitive advantage through M&A, divestitures and equity alliance?
- **M&A Negotiation:** How can you prepare for the negotiation phase? What are ways to arrange a value creating deal?

Intellectual property rights

The Client acknowledges and agrees that the contents made available during the training (including, but not limited to, videos, pictures and texts) are property of Euronext Corporate Services Italy S.r.l. or are supplied by Euronext Corporate Services Italy S.r.l. in virtue of certain contractual arrangements with third parties and cannot be reproduced, distributed or used for business purposes without the prior written consent of Euronext Corporate Services Italy S.r.l. or the entity having the relevant rights on the same.

Liability

Whilst every effort is made by Euronext Corporate Services Italy S.r.l. to ensure that the contents of the training (including, but not limited to, videos, pictures and texts) are accurate and up to date, Euronext Corporate Services Italy S.r.l. shall not be liable whatsoever for any inaccuracy or misleading information, nor for any consequential damage or expense or any loss of profit or

any liability to third parties incurred as a result of reliance on such information, which is provided for educational purpose only. Euronext Corporate Services Italy S.r.l. total liability under this agreement shall be limited to the maximum amount represented by the Fees paid to the latter by the Client.

Traceability of financial flows

Euronext Corporate Services Italy S.r.l. and the Client assume all obligations regarding the traceability of the financial flows provided by Law 136/2010, as subsequently amended and implemented (the "Traceability Obligations").

In relation to the payments to be made pursuant to the present Contract, the Client, if it is a public contractor pursuant to decree law 163/2006 (Code of public contracts for works, services and supplies), to ensure the enforcement of Law 136/2010 and subsequent amendments, undertakes to communicate to Euronext Corporate Services Italy S.r.l., by the form attached to the Contract, the identification bidding code (CIG) and, in case, the unique code of project (CUP).

In particular, in fulfilling the Traceability Obligations Euronext Corporate Services Italy S.r.l. will communicate to the Client:

- (i) the bank accounts details to be used, also nonexclusively, for the payments to be made by the Client pursuant to the present Contract;
- (ii) the personal details and the fiscal code of the persons delegated to operate on them, indicating the relevant role and powers, within 7 (seven) days from the creation of the accounts above (or, in case of existing accounts, within 7 (seven) days from their first use in relation to the payments made by the Client).
- (iii) Any possible amendment of the information indicated in points (i) and (ii) above, will have to be communicated by the Client within 7 (seven) days from occurrence.

Let it be understood that, save for possible derogations and partial exemptions to Law 136/2010, failure to use instruments suitable to permit the full traceability of the financial flows (for instance, bank or post transfer) and

the failure to comply with any other Traceability Obligations, are ground to terminate the present Contract.

Euronext Corporate Services Italy S.r.l. undertakes, in particular, to inform the Client and the Prefecture (territorial office of the Government of the province where the Client has its registered office) if it becomes aware of breaches by its contractual counterparties, if any, in relation to the Traceability Obligations.
