Academy – Euronext Group

At Academy we aim at sharing **capital markets expertise** by turning it into world-class training courses and programmes.

Our programmes reflect the evolution and trends of **financial markets and their eco-systems**.

Key assets of our learning centre are our centrality in capital markets, and our **internal and external faculty**, whose contributors are drawn from practitioners, academics, advisors and financial market specialists.

As an Exchange system, being at the centre of financial markets, we understand not just what happens now, but also what's changing - so we can design our courses to equip you for the world of today and tomorrow.

An accredited Management System Certificate

Euronext Corporate Solutions Italy, where Academy sits, meets the management system Standards **ISO 9001:2015, IAF 37** certified by DNV.

The accreditation guarantees internationally recognised quality service standards and allows companies to apply for public funding to finance individual and company training projects.

Programme overview

Background

The LM&A certificate provides participants with a solid foundation in M&A and prepares them for the various challenges during the deal and equip them with the best practices and a thorough understanding of relevant legal aspects.

What to expect

- **M&A Process and Due Diligence**

In order to add more value to deals by providing adequate legal advice, understand the M&A process, goals and roles of the various people and perspectives involved. In addition to conducting a Legal Due Diligence, get a better view on other due diligence areas as well.

- **Structuring the Deal**

Different types of mergers lead to different types of challenges in the legal arena. Learn to manage multiple legal challenges that arise in different geographies and jurisdictions.

- **Identify Red Flags**

Receive an exclusive look on Best Practices when evaluating agreements and identify red flags which may arise during deal evaluation.

- **Understand legal M&A contracts and tax considerations**

Learn from our experts how to successfully navigate through employment contracts, anti-trust and competition law and intellectual property law.

IM&A Course

This cross-disciplinary curriculum provides a holistic view of the M&A process – from strategy and valuation to execution and post-merger integration management.

You will delve into the challenges and opportunities presented by new technology and learn all the terminology and best practices for cross-border deals, corporate inversions, earn-outs, spin-offs, restructurings, corporate governance and more opportunities. Different strategic approaches for private and public companies will also be examined.

Logistics

The LM&A program is structured in four modules based on our LM&A Framework and Body of Knowledge for Mergers & Acquisitions. It consists of four modules:

- Essentials of M&A
- Due Diligence
- Legal Module 1: Commercial, Contract & Labor Law
- Legal Module 2: Anti-Trust, Intellectual Property & Regulatory Affairs

Target audience

Prerequisites

- Hold an academic degree (e.g. PhD, JD, DBA, MBA or Bachelor Degree); and/or hold one or more professional designations (such as CPA, CFA, CAIA or equivalent)
- Participants are required to have a basic understanding of financial and strategic concepts. Ideally participants have previous knowledge in courses in covering financial and business related topics on a university level. There is no advance preparation required. However, participants are encouraged to review basic financial and business concepts before attending the training.

Who should attend

While you will meet an international mix of participants from various industries, the IM&A program is tailored to the needs of mid-management to senior executives in the C-Suite, directors of public and private companies, board leaders, and heads of strategy and corporate development. Advisers, investment bankers, transactional lawyers, and private equity investors also find this course increasingly helpful. Individuals and teams are welcome to attend.

Designation

After successfully completing the course, you will receive the IM&A Charter. The IM&A is the most internationally recognized designation offered in the field of M&A. This charter signals to peers, clients, employers, and other professionals that you have completed the most comprehensive M&A education program available and are proficient in all areas of the mergers and acquisitions process.

The training session is structured in an **8-week Interactive Online Live format**, blending asynchronous and synchronous learning. Experience a mix of live sessions, including online lectures and interactive activities, and enjoy 2-week asynchronous periods for flexible, in-depth learning.

The program is taught by experienced practitioners and renowned faculty from across the globe.

Course Agenda

Module 1: Essentials of M&A

This module covers the fundamentals of Mergers & Acquisitions:

- **Deal types:** What are the different types of transactions that you can use in M&A? There is a whole range of deal types and deal continuum that we look at, e.g. the full spectrum from minority stakes to full acquisitions, various ways to arrange a merger, leveraged buy outs (LBOs), initial public offerings (IPOs), divestitures, spin-offs, equity carve-outs-
- **M&A Process:** The program covers both perspectives from a buyer's perspective (buy side) and from a seller's perspective (sell-side). We explore how to seek buyers or potential targets (long list & short list) and how to run a sale in various ways (negotiations and auctions).
- **Strategies for M&A:** We dive into the strategies for Mergers & Acquisitions. How can you create competitive advantage through M&A, divestitures and equity alliance?
- **M&A Negotiation:** How can you prepare for the negotiation phase? What are ways to arrange a value creating deal?
- **Introduction to Due Diligence:** How do you prepare for and execute a smart Due Diligence to assure value creation? What are the different areas that can be covered in the Due Diligence process?
- **Success Factors in Transactions:** We explore the success factors and key challenges and mistakes to avoid. Which M&A tactics work in which industries?
- **Takeover Strategies and Defence Tactics:** How can you prepare your company against a hostile takeover attempt and reduce potential threats? Which are the defence mechanisms that you can put into place and how affective are they? Which ways exist to acquire a business successfully in a hostile way?

Intellectual property rights

The Client acknowledges and agrees that the contents made available during the training (including, but not limited to, videos, pictures and texts) are property of Euronext Corporate Solutions Italy S.r.l. or are supplied by Euronext Corporate Solutions Italy S.r.l. in virtue of certain contractual arrangements with third parties and cannot be reproduced, distributed or used for business purposes without the prior written consent of Euronext Corporate Solutions Italy S.r.l. or the entity having the relevant rights on the same.

Liability

Whilst every effort is made by Euronext Corporate Solutions Italy S.r.l. to ensure that the contents of the training (including, but not limited to, videos, pictures and texts) are accurate and up to date, Euronext Corporate Solutions Italy S.r.l. shall not be liable whatsoever for any inaccuracy or misleading information, nor for any consequential damage or expense or any loss of profit or any liability to third parties incurred as a result of reliance on such information, which is provided for educational purpose only. Euronext Corporate Solutions Italy S.r.l. total liability under this agreement shall be limited to the maximum amount represented by the Fees paid to the latter by the Client.

Traceability of financial flows

Euronext Corporate Solutions Italy S.r.l. and the Client assume all obligations regarding the traceability of the financial flows provided by Law 136/2010, as subsequently amended and implemented (the "Traceability Obligations").

In relation to the payments to be made pursuant to the present Contract, the Client, if it is a public contractor pursuant to decree law 163/2006 (Code of public contracts for works, solutions and supplies), to ensure the enforcement of Law 136/2010 and subsequent amendments, undertakes to communicate to Euronext Corporate Solutions Italy S.r.l., by the form attached to the Contract, the identification bidding code (CIG) and, in case, the unique code of project (CUP).

In particular, in fulfilling the Traceability Obligations Euronext Corporate Solutions Italy S.r.l. will communicate to the Client:

- (i) the bank accounts details to be used, also nonexclusively, for the payments to be made by the Client pursuant to the present Contract;
- (ii) the personal details and the fiscal code of the persons delegated to operate on them, indicating the relevant role and powers, within 7 (seven) days from the creation of the accounts above (or, in case of existing accounts, within 7 (seven) days from their first use in relation to the payments made by the Client).
- (iii) Any possible amendment of the information indicated in points (i) and (ii) above, will have to be communicated by the Client within 7 (seven) days from occurrence.

Let it be understood that, save for possible derogations and partial exemptions to Law 136/2010, failure to use instruments suitable to permit the full traceability of the financial flows (for instance, bank or post transfer) and the failure to comply with any other Traceability Obligations, are ground to terminate the present Contract.

Euronext Corporate Solutions Italy S.r.l. undertakes, in particular, to inform the Client and the Prefecture (territorial office of the Government of the province where the Client has its registered office) if it becomes aware of breaches by its contractual counterparties, if any, in relation to the Traceability Obligations.

Cancellation Policy

According to article 1373 C.C., to withdraw from this contract applicants must send a written notice via email to academy@euronext.com:

- The fee will be fully refundable up to 7 working days prior to course date.
- A 50% refund will be provided for cancellations made during the 6 days leading to the course,
- Fees are non refundable for cancellations made 1 day prior to the course date.

Substitution of attendee (from the same company) may be made at any time.

Academy accepts requests to replace the course with another Academy course. The rescheduled training must take place within 12 months.

Changes to the program

Euronext Corporate Solutions Italy S.r.l. reserves the right to postpone or cancel the course and notify the participant via fax or email at least 1 week before the course date; in this case, the participant is entitled only to a full refund of the course fee. In addition, Euronext Corporate Solutions Italy S.r.l. is entitled to make changes to the programme and seat of the training and/or substitute the expected panellists with others with equal skills and competence.

Governing law and jurisdiction

The present agreement shall be governed by Italian law. The parties assign to the Court of Milan the exclusive jurisdiction over any dispute arising out the present agreement, this including – but not limited to – any proceedings regarding the validity, the construction, the performance and/ or the termination of the agreement.
